

Equi-Products Novice Rider's Development Circuit 2012 Tournaments and Year End Invitational

Teesdale Riding School, Paramount Equestrian, MC Equestrian, and Woodline Equestrian once again present the Novice Rider's Development Circuit. The purpose of these events is to help the novice riders of the region gain experience in the show ring. Each venue will host tournaments throughout the year, indoor and outdoor. The History of the Novice Riders circuit spans many years with the involvement of the barns that are presently involved and also the previous involvement of Spruce Meadows and Sea Fever Farms.

The season will finish with a year-end invitational tournament to be held at Teesdale Riding School (**To be invited to the year-end invitational, a rider must have competed in at least three novice rider tournaments in the current year**).
