Lease Horse Program (1/2 Lease)

	Monthly Fee (G.S.T. Included)
Board	\$412.50
Lease Fee (lease fee covers mortality insurance for all horses)	\$ 90.00
Monthly Lesson Program	\$284.00
Total Lease Fee and Lesson Program	\$786.50 / Month

Please Note: The lesson plan calculation is based on 3 lessons a week or 12 lessons per month; IF a client misses a lesson(s), they are welcome to make up the lesson in the current month only. Based on this calculation, each lesson works out to \$23.66. The benefit, aside from the lower cost per lesson, is that normally there are more than 12 lessons in any month. This is why any missed lessons must be made up in the current month.

If a horse is leased to two people, each client is responsible for 1/2 farrier costs and 1/2 veterinary costs. If horse is leased to only one person, Teesdale riding school will pay for 1/2 veterinary costs, and 1/2 farrier costs for trims only. If horse is leased to only one person, that person can ride the horse up to 6 days per week. If the leased horse is taken to a show, the person(s) using the horse at the show is responsible for all farrier and all veterinary costs relating to the show, prior to the show, and all farrier and veterinary costs for the duration of the show.
